

Viña Galana

VARIETY: Tempranillo

ORIGIN: Tierra de Castilla, Spain

REGION / PROCESS:

Wines from Castilla-La Mancha are made to be enjoyed young, defined by their fruity and easy drinking characteristics.

100% Estate grown.

The Tempranillo spends 10 months in neutral oak barrels, which builds flavor and textural complexity while preserving the purity of the fruit.

TASTING NOTES:

Deep ruby color with aromas of raspberry, red cherry and licorice. Medium-bodied with finely structured tannins that carry the wine through a lengthy finish on the palate.
