Vineyard:	The Brauneberger Juffer-Sonnenuhr vineyard is the heart section in the Brauneberg vineyard mountain, close to the river and surrounded by the Juffer vineyard. In Burgundian terms the Juffer-Sonnenuhr is a kind of “Premier Grand Cru”. The vineyard was Thomas Jefferson’s favourite Mosel when he visited the area in 1788. The Brauneberg faces totally south and has got lots of iron minerals (‘brown mountain’) It enjoys world wide reputation.
The wine:	Healthy grapes had been handpicked middle of 2020 at 91° Oechsle from old vines. Before pressing there were 6 hours of maceration. Fermentation was done temperature controlled in traditional old oak barrels (Fuder) with indigenous yeast. The wine was sitting on its yeast till bottling date. A weekly “batonnage” was executed to intensify the yeast contact to enrich complexity. Bottling was done on 13 th July 2021.
Taste:	It offers a beautiful refined and delicately ripe nose of yellow peach, a hint of apricot, minty herbs, bergamot, greengage, smoke and a dash of camphor. The wine is delicately smooth and fruity on the palate, and leaves a nice sense of weight and presence right up the very long, refined, and smoky finish.
