ACIDITY: 6.0 g/l

RESIDUAL SUGAR: 3.4 g/l

ALCOHOL: 12.8% vol

HISTORY

We faced ourselves the challenge to create a young, modern and easy-going white cuvee - lightly aromatic and most of all pleasant. 2017 we present KITZ the first time on the market.

ORIGIN

The name refers to the German name of the pup of the Capricorn, our heraldic animal. This wine is situated under our classical line, but affiliates to these wines in stylistic and straightforwardness.

VINIFICATION

KITZ matures in stainless steel tanks to preserve his fruit and aromas best possible.

DESCRIPTION

KITZ is a young and modern white cuvee: fresh, fruity and smooth in the mouth.

This wine should be fun as aperitif or with uncomplicated food.
