## CHIANTI Biskero D.O.C.G. 2023

An easy drinking, everyday wine composed of Sangiovese (85%), Canaiolo, Mammolo and Merlot. Part of this wine is matured in 300 – liter American oak “tonneaux”.

In 2023, very few wines were produced, due to the extreme spring rain and the dry and hot late summer. We only made Chianti and vintage Nobile, also because the harvest lent itself well to fresh and relatively easy-drinking wines for each category.
