## 2021 RIVER ROCK VINEYARD GRENACHE

River Rock Grenache is textural, rich and ethereal. Use of both puncheons and large format foudre lends itself to seamless integration of flavors and aromatics. A higher juice to skin ratio from this site's berries gives way to a gentle but firm body and elegance balance throughout. The wine is supple and delicate, drinkable now through 2035.

50% concrete, 50% stainless steel

16 months in

neutral French oak, large format

100% free run

Walla Walla Valley AVA
