

## "IN MEDIO STAT VIRTUS"

Our family represents the heart of all our activities. Five generations of people who devoted their lives to wine have instilled in our souls a deep respect for the identity of our territory and a firm characterization of our products. What we want to offer is simply the interpretation of a terroir through our deep rooted beliefs. Our wines never look for unconditional approval and our personality is not prone to easy compromise.

### **SPECIES OF VINE**
