

# *B. Kosuge Wines*

## *Carneros Gamay Noir 2018*

The cuttings are of a clone originally selected in Beaujolais with vines growing more upright than Pinot Noir and with paler leaves, larger grapes and tighter clusters. Concentrated purple colored grapes are more resistant to botrytis and thrive in a warmer climate in The Shop Vineyard. The soils are clay loam - a good fit for the high acid and late ripening Gamay.

VINEYARD Shop Vineyard

VINES Gamay Noir clone 359 grafted onto Pinot Noir in 2014

VINIFICATION 100% whole cluster with native yeast in open top bins with foot tread and pumpover. No carbonic.

AGING Concrete

PRODUCTION 120 cases
