

SAINTS HILLS

VINO SVETACA • WINE OF THE SAINTS

BLACK

Domaine	Saints Hills
Grower	Family Tolj
Village	Dingač, Pelješac peninsula, Croatia; Komarna
Location	South Dalmatia, Southern exposure
Grape	100% Plavac mali
Age of Vines	13 years
Soil	Red limestone quartz soil
Production methods	Black is wine made of 100% Plavac mali from southern Dalmatia. It is a blend between our two vineyards of Sv. Roko Komarna and Sv. Lucia Dingač.

It is matured partially in big wooden vats, partially in concrete, and partially in barriques, and is usually released after 24 months.

TASTING NOTES

Colour	Intensive ruby red with purple nuances
Nose	Black is a very good represent of Plavac mali variety. On the nose, You can find a lot of cherry and plum scents, as well as some mediterranean spice such as thyme or oregano.
Palate	On the palate it is a full bodied fruity red, with notes of forrest fruit, and some nice vanilla aftertaste. It is well paired with various meat dishes, but also some traditional blue fish grilled dishes.
Length/finish	Very long lasting spicy finish.
