PROXIES

Not Wine.

We created Proxies for when you want something to drink but you're not drinking. By blending wine grapes, fruits, teas, spices, and natural botanicals, Proxies go way beyond the grape to capture everything that makes wine a great pairing with food—acidity, body, and tannin—without the alcohol.

Proxies are poured at

atelier CRENN · PINCH · Audrey · FOUR SEASONS · oriole · Spago · BOKA · JOE+BEEF · MANHATTA · THE FRENCH LAUNDRY · Reverie
