

CHATEAU LA NAUDE

BORDEAUX, FRANCE

ABOUT THE WINERY

Chateau La Naude is located north of Saint-Emilion, just outside the village of **Gauriaguet**. The property, managed by winemaker Jean-Michel Garcion, consists of 18.5 hectares planted with **Merlot, Cabernet Sauvignon and Cabernet-Franc**. Jean-Michel was passionate about viticulture from a very young age, and received his diploma in Viticulture and Oenology at Le Landreau in 1984. He finally settled at La Naude after ten years of working harvests around the world and has been a fixture at this family-owned estate since 1991.
