CLUB 44 PROVENCE ROSE 2021

Club 44 is the Provencal child of estate owners, Mireille and Christian at Domaine Bargrau. The estate is located 15 miles NorthWest of Aix en Provence and since 2005, the production has been growing at incredible rates. Domaine Bargrau produces sustainable wine under the AOC Provence and IGP Mediterranean and a whopping 90% of that is fine and elegant rose. The family continues to work hard to make region specific wines as their children officially began to join them in the cellar this vintage.

COLOR: The faintest of pinks in color almost pastel in likeness with some light red currant highlights.

NOSE: Complex with delicate aromas of cherry and raspberry.

TASTE: This is an exquisite dry rosé . It has similar aromatic complexity on the palate. Lean with flavors of cranberry and raspberry accented by an elegant mineral finish from the limestone of the terroir. A truly elegant Provençal rosé.
