Lulumi wines are inspired by the French countryside, its way of living, the uniqueness of every village, full of stories.

Lulumi wines are inspired by the French countryside, its way of living, the uniqueness of every village, full of stories. These wines are all about sharing precious time with friends and family.

#### Terroir:

The vines are planted around Pézenas and Béziers located next to the river “Thongue”. The vines are localized 50 meters to 100 meters above the sea. The terroir benefits of the Mediterranean climate: sunlight, sea winds, dry and long summers.

#### Winemaking:

The grapes are destemmed and pressed right after the harvest. Then, the alcoholic fermentation starts naturally in a vat at a controlled temperature. The temperature is controlled between 18°to 20°.

Varietal composition: Mourvèdre, Grenache, Cabernet Sauvignon

#### Tasting notes :

The wine has a beautiful pale pink and grapefruit color. The nose is fresh and fruity, with floral notes and shows a beautiful pale pink color with bright reflections. On the palate, strawberry and tropical fruit.

#### Food Pairing :

We advise you to enjoy it as an aperitif or with salads, white meat or shellfish.
