SIGNATURE
WINES

Lulumi wines are inspired by the French countryside, its way of living, the uniqueness of every village, full of stories.

Lulumi wines are inspired by the French countryside, its way of living, the uniqueness of every village, full of stories. These wines are all about sharing precious time with friends and family.

Terroir:

A rich and natural combination of steep slopes, hilly peaks, vineyards, “garrigue” vegetation and the proximity to the Mediterranean Sea, this is the perfect setting for the Chardonnay grape to mature and thrive.

Winemaking:

After cold fermentation, the wine is slightly oaked for texture and extra flavours.

Tasting notes :

Lovely gold colour, the wine is lightly toasted and offers an intense nose of ripe fruits flavors and spicy notes. Smooth texture and well-balanced. Vanilla and toasted hints.

Food Pairing :

This wine pairs especially well with seafood and fish dishes, but also with white meats and foie gras, soft cheeses, tarts and fruit desserts. This wine is also very enjoyable on its own, either before a meal or as a relaxing drink.
