

More than 170 years ago, at the tender age of 27, James Eadie decided to found his own company. Continuing his family's proud tradition, his whiskies were known by the 'X' on the label, one of the world's oldest registered Trade Marks. Now revived by his great-great-grandson, Rupert Patrick, James Eadie Ltd. continues this proud tradition of selecting and bottling delicious, award-winning whiskies.

Our Cask Finish range undergoes an additional maturation in the fortified wine casks found in James Eadie's 19th-century warehouses. We are pleased to present this delicious whisky, finished for 10 months in a First Fill PX Sherry Cask, selected for the bold flavours that perfectly balance the zesty freshness of Glen Spey Distillery. This was bottled at 10 years old, at Cask Strength, and chosen by Massanois exclusively for the United States.
