

More than 170 years ago, at the tender age of 27, James Eadie decided to found his own company. Continuing his family's proud tradition, his whiskies were known by the 'X' on the label, one of the world's oldest registered Trade Marks. Now revived by his great-great-grandson, Rupert Patrick, James Eadie Ltd. continues this proud tradition of selecting and bottling delicious, award-winning whiskies.

We are delighted to present this fantastic Single Cask whisky from Jura Distillery. Matured for 10 years in an ex-First Fill Bourbon cask before being chosen exclusively by Massanois Imports for the United States, it was bottled at cask strength, without chill-filtration or any additional caramel. This whisky combines the classic fresh, citrusy qualities from Jura Distillery with a lovely richness imparted by the ex-Bourbon cask.
