WINEMAKER'S NOTES:

25 year old vines planted on a gently sloping hillside of volcanic cobbles and gravel, rising several hundred feet above the blue waters of Clear Lake. This vineyard is farmed by winemaker and consultant Sam Spencer who planted Syrah, Grenache, Tempranillo, Zinfandel, and the block of Grenache blanc and Roussanne where we source this Southern Rhone style blend.

The ripeness of the golden colored Roussanne brings notes of almond flower, honey, and wild fennel alongside the restraint, minerality and structure of the Grenache blanc.
