WINEMAKING

After malolactic fermentation, the wine matures for over 12 months in second-passage barriques. This is followed by 6 months of aging in the bottle.

GRAPES AND VINEYARD

Cabernet Sauvignon 70%, Cabernet Franc 20%, Petit Verdot 10%
Manual harvest carried out between mid and late September.

TASTING

Bright ruby color, shaded on the edges. The nose is rich in flavors of wild berries, dark and sweet spices, tobacco and Mediterranean scrub. In the mouth it expands with softness and silky tannins, in a framework of perfect balance.
