

## 2019 Red Field Blend — 538 cases produced

### Vineyard Notes:

Sourced from a medley of sites across Sonoma Valley, this wine highlights some of the best of what the region has to offer. Our coldest vineyard and furthest north (Kenwood), is home to 30 year old, own-rooted and dry farmed Primitivo. At 400 ft in elevation, our Kimberly Vineyard (Kenwood) grows low yielding and structured Zinfandel. In what is known to locals as the “banana belt” the Bedrock Vineyard in Glen Ellen, hosts sunbaked Petite Sirah and Alicante Bouschet. Only a quarter mile from downtown Sonoma, the Hooley Vineyard Petite Sirah brings an incredible element of minerality. This wine covers a lot of ground, but truly represents why these heritage varieties grow to perfection in Sonoma Valley.

Farming:  
ALL Organic

Soils:  
Gravel, Alluvial river-bed, Huichica Clay, Tuscan Cobbles.

### Vinification:

All wine lots are picked and fermented separately with spontaneous yeast. Aged in 225L neutral French oak barrels for 10 month. The finished blend is racked once before bottling, unfinned and unfiltered. 54% Zinfandel, 24% Petite Sirah, and 22% Alicante Bouschet.

Chemistry:  
pH: 3.56  
TA: 6.76  
Alc: 13.8  
FSO2: 17ppm
