Our Story

Silver Ghost founder Weston Eidson's great-grandfather, John Montagu, was an automobile pioneer at the turn of the last century. Being a British Lord and a Member of Parliament, he was instrumental in much early automotive legislation and was friends with Charles Rolls and Henry Royce. His secretary served as the model for the Rolls-Royce hood ornament, the Spirit of Ecstasy, which we still see on Rolls-Royce cars to this day. Silver Ghost gets its name from John Montagu's favorite car, the 1909 Rolls-Royce Silver Ghost.

On the palate Silver Ghost reveals layers of red and black fruit intermingled with mocha, toast and savory spice. A sumptuous texture rounds out the long finish.
