

Soliste

Narcisse Pinot Noir

As followers of the Soliste philosophy are aware, in 2009 we made the decision to return to the roots of Burgundy and the craftsmanship of the Cistercian monks of Vougeot to focus on single clones from single vineyards and matured in single cooperage :MonoClone®our amazing L'Espérance, Sonatera, L'Ambroisie, Nouveau Monde and Fôret. From this disciplined approach, we realized we had a unique and rare opportunity to create a Single Cuvee from the other great barrels from each of our vineyards. We blended the best barrels together and aged to harmonize the once separated wines to craft Narcisse Pinot Noir an exceptional wine of great depth, fruit concentration and elegance, a pure representation of Soliste wines.
