Malo-Lactic Fermentation - 100%

Winemaking

Sourced from Pindar Vineyards, a leader in sustainable viticulture, this Syrah is harvested and aged in 80% neutral French oak and 20% new French oak for 21 months. The wine underwent full malolactic fermentation, developing a velvety texture and integrated oak influence.

Powered by wind energy and enriched through organic composting, Pindar's commitment to sustainability enhances vine health and fruit expression, resulting in a Syrah with bright acidity (pH 3.49, TA 6.43 g/L), rich dark fruit, and layered spice.

Tasting Notes

Dry · Full-Bodied · High Acidity
Black Pepper · Raspberry · Tart

Ingredients

Grapes · Yeast
Minimal SO2 - *33ppm free at bottling*

Vegan Friendly · Low-Intervention
Wind-Powered · Sustainably Made
