Winemaking

Sourced from Pindar Winery in Long Island's North Fork, where sustainability drives vineyard operations. Hand-harvested and fully malolactic fermented for a velvety texture and soft tannins.

Aged 18 months in 80% neutral and 20% new French oak, developing layered complexity and balanced acidity (pH 3.39, TA 5.25 g/L). Powered by wind energy and enriched with organic compost, Pindar leads in eco-conscious winemaking.
