

# PRIMARY WINE CO.

CABERNET SAUVIGNON - CALIFORNIA

Primary Wine Co. stands for pure, honest, genuine flavors and a back-to-basics approach to wine. These wines are enjoyable from the first to the last sip. Savor our classic California wines in the spirit of all things simple and good.

A true expression of California Cabernet Sauvignon is achieved through a diversity of components found from appellations across the state to create an elegant, balanced wine. The North Coast provides complexity. Mendocino offers juicy ripe fruit with intense color and distinct tannins. Paso Robles and Lodi offer sweet, dark, dense notes that round out the wine's structure.

*Blend: 100% Cabernet Sauvignon.*

**Tasting Notes:** Blackberry, sweet black cherry and blackcurrant with spice notes of clove, vanilla and dark chocolate. The wine starts with concentrated red and black berry flavors, followed by velvety tannins on the mid-palate and notes of baking spices on the finish.

Alc: 14%

Aged in neutral oak for 10 months
