

Singapore Asian Craft Gin

750ml

Unexpected Flavours with Old World Heritage

Native Asian ingredients such as **Young Ginger** and **Kaffir Lime Leaves** meet **Chilli**, **Cassia** and **Mandarin Peel**. Ginger and Chilli give the taste buds a lift with a slight tingle on the lips.

NOSE

Fresh natural sweet mandarin citrus characters and a hint of orange blossom and kaffir lime.

PALATE

Kaffir Lime on the front palate, sweet mandarin orange citrus with a ginger hint on the middle palate.

FINISH

Young ginger and the Kampot Pepper combine with the chilli to give a hint of warmth that lingers and doesn't burn.

DRINKS

Next to an Indian Tonic, this gin works well with Soda, Ice, and finish with a Lime wheel. Or try it in a Red Snapper.
