TECHNICAL DATA  
Alcohol: 11% ABV  
Bottle Size: 75cl  
Closure: CORK

## ABOUT

Vaporetto” is the name of the Venetian water taxi that glides up and down the glistening waters of the Grand Canal. This bright and bubbly pink Prosecco is the “embottlement” of the Italian dolce vita, the sweet life of food, wine, friends, family, and laughter. Prosecco Rosé is one of Italy’s newest DOCs, produced for the first time in October 2020, and Vaporetto Prosecco Rosé is made from the Glera grape with a small percentage of Pinot Nero, produced in the Charmant method of secondary fermentation.

## TASTING NOTES

The wine is a beautiful light pink color with flavors of bright red berry and cherry fruits with hints of rose petals
