

PROXIES™

Not Wine.

We created Proxies for when you want something to drink but you're not drinking. By blending wine grapes, fruits, teas, spices, and natural botanicals, Proxies go way beyond the grape to capture everything that makes wine a great pairing with food—acidity, body, and tannin—without the alcohol.

Proxies are poured at

White

Crisp & Aromatic

Crisp, zesty, and refreshing. Lychee, white flowers, and spicy ginger flash over a palate of ripe peach, bright citrus, and zippy Niagara verjus.

Core Components

Fruit Peach, Lychee

Acid Verjus, Lemon

Spice Aged Mandarin, Elderflower

Body Green Tea
