SAINTS HILLS BLACK

Black is 100% plavac mali that comes from our two Dalmatian vineyards Sv. Roko in Komarna and Sv. Lucia in Dinga. We get it as the second blend of these two plavacs, that part of the wine that is neither Dinga nor Sv. Roko. It ages in large wooden tanks, concrete and small barrique barrels. The smaller brother of these two bluefish, goes well with blue fish, meat or classic dishes with meat sauces.
