RIPASSO

MERLOT

This Merlot is handcrafted from small quantities of fruit sourced from Shinn Vineyards, fermented wild and without additives. Named Ripasso, this wine was “repassed” over the leftover pomace of our Petit Verdot and Malbec grape skins for a 6 month period of extended maceration; expressing a dark hue and a rich full body, with notes of plum and olives. Earthy, with hints of tobacco leaf, coffee bean and a long finish.

370 cases produced.
